Speed and Stopping Distances of Cars

This is an R Markdown document or RMD. Markdown is a simple formatting syntax for authoring web pages (click the **Help** toolbar button for more details on using R Markdown).

```
?cars
str(cars)
   'data.frame':
                     50 obs. of 2 variables:
    $ speed: num
                   4 4 7 7 8 9 10 10 10 11 ...
    $ dist : num
                   2 10 4 22 16 10 18 26 34 17 ...
plot(cars)
     120
                                                                                       0
                                                                                       0
                                                                                           0
                                                                 0
     80
                                                  0
                                                                 0
                                                                                       0
                                                                     0
                                                                                0
                                                                        0
